the State to inform the issuing judicial authority and, where appropriate, Eurojust in relation thereto and of the reasons therefor specified in the direction, and the Central Authority in the State shall comply with such direction.

(12) An appeal against an order under this section or a decision not to make such an order may be brought in the Supreme Court on a point of law only.

17.—Where, in relation to an offence specified in a European arrest warrant, the High Court decides not to make an order under section 15 or 16, it shall not be necessary for the issuing judicial authority to issue another European arrest warrant in respect of such other offences as are specified in that warrant, and, where such other offences are specified in the European arrest warrant, that warrant shall be treated as having been issued in respect of those other offences only.

18.—(1) The High Court may, if satisfied that circumstances exist that would warrant the postponement, on humanitarian grounds, of the surrender to the issuing state of a person to whom an order under section 15 or 16 applies, direct that the person’s surrender be postponed until such date as the High Court states that, in its opinion, those circumstances no longer exist.

(2) Without prejudice to the generality of subsection (1), circumstances to which that paragraph applies include a manifest danger to the life or health of the person concerned likely to be occasioned by his or her surrender to the issuing state in accordance with section 15(5) or 16(5).

(4) Subject to subsection (5), a person to whom this section applies shall be surrendered to the issuing state not later than 10 days after such date (being a date that falls after the date specified in subsection (1) or subsection (3)(i) or (ii), as the case may be) as may be agreed by the Central Authority in the State and the issuing state.

the High Court may, subject to such conditions as it shall specify, direct that the person be surrendered to the issuing state for the purpose of his or her being tried for the offence to which the European arrest warrant concerned relates.

(2) Where a person is surrendered to the issuing state under this section, then any term of imprisonment or part of a term of imprisonment that the person is required to serve in the State shall be reduced by an amount equal to any period of time spent by that person in custody or detention in the issuing state consequent upon his or her being so surrendered, or pending trial.

Additional documentation and information.

20.—(1) In proceedings to which this Act applies the High Court may, if of the opinion that the documentation or information provided to it is not sufficient to enable it to perform its functions under this Act, require the issuing judicial authority to provide it with such additional documentation or information as it may specify, within such period as it may specify.

(2) The Central Authority in the State may, if of the opinion that the documentation or information provided to it under this Act is not sufficient to enable it or the High Court to perform functions under this Act, require the issuing judicial authority to provide it with such additional documentation or information as it may specify, within such period as it may specify.

howsoever such a statement is described under the law of that place.

(4) In proceedings referred to in subsection (3), the High Court may, if it considers that the interests of justice so require, direct that oral evidence of the matters described in the affidavit or statement concerned be given, and the court may, for the purpose of receiving oral evidence, adjourn the proceedings to a later date.

21.—(1) The Minister may direct that a person remanded in custody under this Act or committed to a prison or remand institution under section 15 or 16 be removed to a hospital or any other place if the Minister considers that in the interests of the person’s health, it is necessary that he or she be so removed, and the person shall, while detained in a hospital or other place pursuant to a direction under this subsection be deemed to be in lawful custody.

(2) Sections 10 and 11 of the Criminal Justice Act 1960 shall apply to a person who is not less than 16, nor more than 21, years of age remanded in custody under this Act or committed to a prison or remand institution under section 15 or 16, subject to the following modifications:

(3) The surrender of a person under this Act shall not be refused on the ground that it is intended to impose in the issuing state a penalty (other than a penalty consisting of the restriction of the person's liberty) including a financial penalty in respect of an offence—

(ii) the High Court is satisfied that—

COUNCIL FRAMEWORK DECISION
of 13 June 2002
on the European arrest warrant and the surrender procedures between Member States
(2002/584/JHA)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 31(a) and (b) and Article 34(2)(b) thereof,

Having regard to the proposal from the Commission(1),

Having regard to the opinion of the European Parliament(2),

Whereas:

(1) According to the Conclusions of the Tampere European Council of 15 and 16 October 1999, and in particular point 35 thereof, the formal extradition procedure should be abolished among the Member States in respect of persons who are fleeing from justice after having been finally sentenced and extradition procedures should be speeded up in respect of persons suspected of having committed an offence.

(2) The programme of measures to implement the principle of mutual recognition of criminal decisions envisaged in point 37 of the Tampere European Council Conclusions and adopted by the Council on 30 November 2000(3), addresses the matter of mutual enforcement of arrest warrants.

(3) All or some Member States are parties to a number of conventions in the field of extradition, including the European Convention on extradition of 13 December 1957 and the European Convention on the suppression of terrorism of 27 January 1977. The Nordic States have extradition laws with identical wording.

(4) In addition, the following three Conventions dealing in whole or in part with extradition have been agreed upon among Member States and form part of the Union acquis: the Convention of 19 June 1990 implementing the Schengen Agreement of 14 June 1985 on the gradual abolition of checks at their common borders(4) (regarding relations between the Member States which are parties to that Convention), the Convention of 10 March 1995 on simplified extradition procedure between the Member States of the European Union(5) and the Convention of 27 September 1996 relating to extradition between the Member States of the European Union(6).

(1) OJ C 332 E, 27.11.2001, p. 305.
(5) The objective set for the Union to become an area of freedom, security and justice leads to abolishing extradition between Member States and replacing it by a system of surrender between judicial authorities. Further, the introduction of a new simplified system of surrender of sentenced or suspected persons for the purposes of execution or prosecution of criminal sentences makes it possible to remove the complexity and potential for delay inherent in the present extradition procedures. Traditional cooperation relations which have prevailed up till now between Member States should be replaced by a system of free movement of judicial decisions in criminal matters, covering both pre-sentence and final decisions, within an area of freedom, security and justice.

(6) The European arrest warrant provided for in this Framework Decision is the first concrete measure in the field of criminal law implementing the principle of mutual recognition which the European Council referred to as the ‘cornerstone’ of judicial cooperation.

(7) Since the aim of replacing the system of multilateral extradition built upon the European Convention on Extradition of 13 December 1957 cannot be sufficiently achieved by the Member States acting unilaterally and can therefore, by reason of its scale and effects, be better achieved at Union level, the Council may adopt measures in accordance with the principle of subsidiarity as referred to in Article 2 of the Treaty on European Union and Article 5 of the Treaty establishing the European Community. In accordance with the principle of proportionality, as set out in the latter Article, this Framework Decision does not go beyond what is necessary in order to achieve that objective.

(8) Decisions on the execution of the European arrest warrant must be subject to sufficient controls, which means that a judicial authority of the Member State where the requested person has been arrested will have to take the decision on his or her surrender.

(9) The role of central authorities in the execution of a European arrest warrant must be limited to practical and administrative assistance.

(10) The mechanism of the European arrest warrant is based on a high level of confidence between Member States. Its implementation may be suspended only in the event of a serious and persistent breach by one of the Member States of the principles set out in Article 6(1) of the Treaty on European Union, determined by the Council pursuant to Article 7(1) of the said Treaty with the consequences set out in Article 7(2) thereof.

(11) In relations between Member States, the European arrest warrant should replace all the previous instruments concerning extradition, including the provisions of Title III of the Convention implementing the Schengen Agreement which concern extradition.

(12) This Framework Decision respects fundamental rights and observes the principles recognised by Article 6 of the Treaty on European Union and reflected in the Charter of Fundamental Rights of the European Union, in particular Chapter VI thereof. Nothing in this Framework Decision may be interpreted as prohibiting refusal to surrender a person for whom a European arrest warrant has been issued when there are reasons to believe, on the basis of objective elements, that the said arrest warrant has been issued for the purpose of prosecuting or punishing a person on the grounds of his or her...

sex, race, religion, ethnic origin, nationality, language, political opinion or sexual orientation, or that that person's position may be prejudiced for any of these reasons.

This Framework Decision does not prevent a Member State from applying its constitutional rules relating to due process, freedom of association, freedom of the press and freedom of expression in other media.

(13) No person should be removed, expelled or extradited to a State where there is a serious risk that he or she would be subjected to the death penalty, torture or other inhuman or degrading treatment or punishment.

(14) Since all Member States have ratified the Council of Europe Convention of 28 January 1981 for the protection of individuals with regard to automatic processing of personal data, the personal data processed in the context of the implementation of this Framework Decision should be protected in accordance with the principles of the said Convention.

HAS ADOPTED THIS FRAMEWORK DECISION:

CHAPTER 1

Article 3

Grounds for mandatory non-execution of the European arrest warrant

The judicial authority of the Member State of execution (hereinafter ‘executing judicial authority’) shall refuse to execute the European arrest warrant in the following cases:

1. if the offence on which the arrest warrant is based is covered by amnesty in the executing Member State, where that State had jurisdiction to prosecute the offence under its own criminal law;

2. if the executing judicial authority is informed that the requested person has been finally judged by a Member State in respect of the same acts provided that, where there has been sentence, the sentence has been served or is currently being served or may no longer be executed under the law of the sentencing Member State;

3. if the person who is the subject of the European arrest warrant may not, owing to his age, be held criminally responsible for the acts on which the arrest warrant is based under the law of the executing State.

Article 4

Grounds for optional non-execution of the European arrest warrant

The executing judicial authority may refuse to execute the European arrest warrant:

1. if, in one of the cases referred to in Article 2(4), the act on which the European arrest warrant is based does not constitute an offence under the law of the executing Member State; however, in relation to taxes or duties, customs and exchange, execution of the European arrest warrant shall not be refused on the ground that the law of the executing Member State does not impose the same kind of tax or duty or does not contain the same type of rules as regards taxes, duties and customs and exchange regulations as the law of the issuing Member State;

2. where the person who is the subject of the European arrest warrant is being prosecuted in the executing Member State for the same act as that on which the European arrest warrant is based;

3. where the judicial authorities of the executing Member State have decided either not to prosecute for the offence on which the European arrest warrant is based or to halt proceedings, or where a

Sch.

final judgment has been passed upon the requested person in a Member State, in respect of the same acts, which prevents further proceedings;

4. where the criminal prosecution or punishment of the requested person is statute-barred according to the law of the executing Member State and the acts fall within the jurisdiction of that Member State under its own criminal law;

5. if the executing judicial authority is informed that the requested person has been finally judged by a third State in respect of the same acts provided that, where there has been sentence, the sentence has been served or is currently being served or may no longer be executed under the law of the sentencing country;

6. if the European arrest warrant has been issued for the purposes of execution of a custodial sentence or detention order, where the requested person is staying in, or is a national or a resident of the executing Member State and that State undertakes to execute the sentence or detention order in accordance with its domestic law;

7. where the European arrest warrant relates to offences which:

(a) are regarded by the law of the executing Member State as having been committed in whole or in part in the territory of the executing Member State or in a place treated as such;

or

(b) have been committed outside the territory of the issuing Member State and the law of the executing Member State does not allow prosecution for the same offences when committed outside its territory.

Article 5

Guarantees to be given by the issuing Member State in particular cases

The execution of the European arrest warrant by the executing judicial authority may, by the law of the executing Member State, be subject to the following conditions:

1. where the European arrest warrant has been issued for the purposes of executing a sentence or a detention order imposed by a decision rendered in absentia, surrender may be subject to the condition that the issuing judicial authority gives an assurance deemed adequate to guarantee the person who is the subject of the European arrest warrant that he or she will have an opportunity to apply for a retrial of the case in the issuing Member State and to be present at the judgment;

2. if the offence on the basis of which the European arrest warrant has been issued is punishable by custodial life sentence or life-time detention order, the execution of the said arrest warrant may be subject to the condition that the issuing Member State has provisions in its legal system for a review of the penalty or measure imposed, on request or at the latest after 20 years, or for the application of measures of clemency to which the person is entitled to apply for under the law or practice of the issuing Member State, aiming at a non-execution of such penalty or measure;
3. where a person who is the subject of a European arrest warrant for the purposes of prosecution is a national or resident of the executing Member State, surrender may be subject to the condition that the person, after being heard, is returned to the executing Member State in order to serve there the custodial sentence or detention order passed against him in the issuing Member State.

Article 6

Determination of the competent judicial authorities

1. The issuing judicial authority shall be the judicial authority of the issuing Member State which is competent to issue a European arrest warrant by virtue of the law of that State.

2. The executing judicial authority shall be the judicial authority of the executing Member State which is competent to execute the European arrest warrant by virtue of the law of that State.

3. Each Member State shall inform the General Secretariat of the Council of the competent judicial authority under its law.

Article 7

Recourse to the central authority

1. Each Member State may designate a central authority or, when its legal system so provides, more than one central authority to assist the competent judicial authorities.

2. A Member State may, if it is necessary as a result of the organisation of its internal judicial system, make its central authority(ies) responsible for the administrative transmission and reception of European arrest warrants as well as for all other official correspondence relating thereto.

Member State wishing to make use of the possibilities referred to in this Article shall communicate to the General Secretariat of the Council information relating to the designated central authority or central authorities. These indications shall be binding upon all the authorities of the issuing Member State.

Article 8

Content and form of the European arrest warrant

1. The European arrest warrant shall contain the following information set out in accordance with the form contained in the Annex:

(a) the identity and nationality of the requested person;

(b) the name, address, telephone and fax numbers and e-mail address of the issuing judicial authority;

(c) evidence of an enforceable judgment, an arrest warrant or any other enforceable judicial decision having the same effect, coming within the scope of Articles 1 and 2;

(d) the nature and legal classification of the offence, particularly in respect of Article 2;

(e) a description of the circumstances in which the offence was committed, including the time, place and degree of participation in the offence by the requested person;
(f) the penalty imposed, if there is a final judgment, or the prescribed scale of penalties for the offence under the law of the issuing Member State;

(g) if possible, other consequences of the offence.

2. The European arrest warrant must be translated into the official language or one of the official languages of the executing Member State. Any Member State may, when this Framework Decision is adopted or at a later date, state in a declaration deposited with the General Secretariat of the Council that it will accept a translation in one or more other official languages of the Institutions of the European Communities.

CHAPTER 2
SURRENDER PROCEDURE

Article 9
Transmission of a European arrest warrant

1. When the location of the requested person is known, the issuing judicial authority may transmit the European arrest warrant directly to the executing judicial authority.

2. The issuing judicial authority may, in any event, decide to issue an alert for the requested person in the Schengen Information System (SIS).

3. Such an alert shall be effected in accordance with the provisions of Article 95 of the Convention of 19 June 1990 implementing the Schengen Agreement of 14 June 1985 on the gradual abolition of controls at common borders. An alert in the Schengen Information System shall be equivalent to a European arrest warrant accompanied by the information set out in Article 8(1).

For a transitional period, until the SIS is capable of transmitting all the information described in Article 8, the alert shall be equivalent to a European arrest warrant pending the receipt of the original in due and proper form by the executing judicial authority.

Article 10
Detailed procedures for transmitting a European arrest warrant

1. If the issuing judicial authority does not know the competent executing judicial authority, it shall make the requisite enquiries, including through the contact points of the European Judicial Network(1), in order to obtain that information from the executing Member State.

2. If the issuing judicial authority so wishes, transmission may be effected via the secure telecommunications system of the European Judicial Network.

3. If it is not possible to call on the services of the SIS, the issuing judicial authority may call on Interpol to transmit a European arrest warrant.

European Arrest Warrant Act 2003

4. The issuing judicial authority may forward the European arrest warrant by any secure means capable of producing written records under conditions allowing the executing Member State to establish its authenticity.

5. All difficulties concerning the transmission or the authenticity of any document needed for the execution of the European arrest warrant shall be dealt with by direct contacts between the judicial authorities involved, or, where appropriate, with the involvement of the central authorities of the Member States.

6. If the authority which receives a European arrest warrant is not competent to act upon it, it shall automatically forward the European arrest warrant to the competent authority in its Member State and shall inform the issuing judicial authority accordingly.

Article 11

Rights of a requested person

1. When a requested person is arrested, the executing competent judicial authority shall, in accordance with its national law, inform that person of the European arrest warrant and of its contents, and also of the possibility of consenting to surrender to the issuing judicial authority.

2. A requested person who is arrested for the purpose of the execution of a European arrest warrant shall have a right to be assisted by a legal counsel and by an interpreter in accordance with the national law of the executing Member State.

Article 12

Keeping the person in detention

When a person is arrested on the basis of a European arrest warrant, the executing judicial authority shall take a decision on whether the requested person should remain in detention, in accordance with the law of the executing Member State. The person may be released provisionally at any time in conformity with the domestic law of the executing Member State, provided that the competent authority of the said Member State takes all the measures it deems necessary to prevent the person absconding.

Article 13

Consent to surrender

1. If the arrested person indicates that he or she consents to surrender, that consent and, if appropriate, express renunciation of entitlement to the ‘speciality rule’, referred to in Article 27(2), shall be given before the executing judicial authority, in accordance with the domestic law of the executing Member State.

2. Each Member State shall adopt the measures necessary to ensure that consent and, where appropriate, renunciation, as referred to in paragraph 1, are established in such a way as to show that the person concerned has expressed them voluntarily and in full awareness of the consequences. To that end, the requested person shall have the right to legal counsel.

3. The consent and, where appropriate, renunciation, as referred to in paragraph 1, shall be formally recorded in accordance with the
European Arrest Warrant Act 2003

procedure laid down by the domestic law of the executing Member State.

4. In principle, consent may not be revoked. Each Member State may provide that consent and, if appropriate, renunciation may be revoked, in accordance with the rules applicable under its domestic law. In this case, the period between the date of consent and that of its revocation shall not be taken into consideration in establishing the time limits laid down in Article 17. A Member State which wishes to have recourse to this possibility shall inform the General Secretariat of the Council accordingly when this Framework Decision is adopted and shall specify the procedures whereby revocation of consent shall be possible and any amendment to them.

Article 14

Hearing of the requested person

Where the arrested person does not consent to his or her surrender as referred to in Article 13, he or she shall be entitled to be heard by the executing judicial authority, in accordance with the law of the executing Member State.

Article 15

Surrender decision

1. The executing judicial authority shall decide, within the time-limits and under the conditions defined in this Framework Decision, whether the person is to be surrendered.

2. If the executing judicial authority finds the information communicated by the issuing Member State to be insufficient to allow it to decide on surrender, it shall request that the necessary supplementary information, in particular with respect to Articles 3 to 5 and Article 8, be furnished as a matter of urgency and may fix a time limit for the receipt thereof, taking into account the need to observe the time limits set in Article 17.

3. The issuing judicial authority may at any time forward any additional useful information to the executing judicial authority.

Article 16

Decision in the event of multiple requests

1. If two or more Member States have issued European arrest warrants for the same person, the decision on which of the European arrest warrants shall be executed shall be taken by the executing judicial authority with due consideration of all the circumstances and especially the relative seriousness and place of the offences, the respective dates of the European arrest warrants and whether the warrant has been issued for the purposes of prosecution or for execution of a custodial sentence or detention order.

2. The executing judicial authority may seek the advice of Eurojust\(^1\) when making the choice referred to in paragraph 1.

3. In the event of a conflict between a European arrest warrant and a request for extradition presented by a third country, the

decision on whether the European arrest warrant or the extradition request takes precedence shall be taken by the competent authority of the executing Member State with due consideration of all the circumstances, in particular those referred to in paragraph 1 and those mentioned in the applicable convention.

4. This Article shall be without prejudice to Member States’ obligations under the Statute of the International Criminal Court.

Article 17
Time limits and procedures for the decision to execute the European arrest warrant

1. A European arrest warrant shall be dealt with and executed as a matter of urgency.

2. In cases where the requested person consents to his surrender, the final decision on the execution of the European arrest warrant should be taken within a period of 10 days after consent has been given.

3. In other cases, the final decision on the execution of the European arrest warrant should be taken within a period of 60 days after the arrest of the requested person.

4. Where in specific cases the European arrest warrant cannot be executed within the time limits laid down in paragraphs 2 or 3, the executing judicial authority shall immediately inform the issuing judicial authority thereof, giving the reasons for the delay. In such case, the time limits may be extended by a further 30 days.

5. As long as the executing judicial authority has not taken a final decision on the European arrest warrant, it shall ensure that the material conditions necessary for effective surrender of the person remain fulfilled.

6. Reasons must be given for any refusal to execute a European arrest warrant.

7. Where in exceptional circumstances a Member State cannot observe the time limits provided for in this Article, it shall inform Eurojust, giving the reasons for the delay. In addition, a Member State which has experienced repeated delays on the part of another Member State in the execution of European arrest warrants shall inform the Council with a view to evaluating the implementation of this Framework Decision at Member State level.

Article 18
Situation pending the decision

1. Where the European arrest warrant has been issued for the purpose of conducting a criminal prosecution, the executing judicial authority must:
   (a) either agree that the requested person should be heard according to Article 19;
   (b) or agree to the temporary transfer of the requested person.

2. The conditions and the duration of the temporary transfer shall be determined by mutual agreement between the issuing and executing judicial authorities.
3. In the case of temporary transfer, the person must be able to return to the executing Member State to attend hearings concerning him or her as part of the surrender procedure.

Article 19

Hearing the person pending the decision

1. The requested person shall be heard by a judicial authority, assisted by another person designated in accordance with the law of the Member State of the requesting court.

2. The requested person shall be heard in accordance with the law of the executing Member State and with the conditions determined by mutual agreement between the issuing and executing judicial authorities.

3. The competent executing judicial authority may assign another judicial authority of its Member State to take part in the hearing of the requested person in order to ensure the proper application of this Article and of the conditions laid down.

Article 20

Privileges and immunities

1. Where the requested person enjoys a privilege or immunity regarding jurisdiction or execution in the executing Member State, the time limits referred to in Article 17 shall not start running unless, and counting from the day when, the executing judicial authority is informed of the fact that the privilege or immunity has been waived. The executing Member State shall ensure that the material conditions necessary for effective surrender are fulfilled when the person no longer enjoys such privilege or immunity.

2. Where power to waive the privilege or immunity lies with an authority of the executing Member State, the executing judicial authority shall request it to exercise that power forthwith. Where power to waive the privilege or immunity lies with an authority of another State or international organisation, it shall be for the issuing judicial authority to request it to exercise that power.

Article 21

Competing international obligations

This Framework Decision shall not prejudice the obligations of the executing Member State where the requested person has been extradited to that Member State from a third State and where that person is protected by provisions of the arrangement under which he or she was extradited concerning speciality. The executing Member State shall take all necessary measures for requesting forthwith the consent of the State from which the requested person was extradited so that he or she can be surrendered to the Member State which issued the European arrest warrant. The time limits referred to in Article 17 shall not start running until the day on which these speciality rules cease to apply. Pending the decision of the State from which the requested person was extradited, the executing Member State will ensure that the material conditions necessary for effective surrender remain fulfilled.
Article 22

Notification of the decision

The executing judicial authority shall notify the issuing judicial authority immediately of the decision on the action to be taken on the European arrest warrant.

Article 23

Time limits for surrender of the person

1. The person requested shall be surrendered as soon as possible on a date agreed between the authorities concerned.

2. He or she shall be surrendered no later than 10 days after the final decision on the execution of the European arrest warrant.

3. If the surrender of the requested person within the period laid down in paragraph 2 is prevented by circumstances beyond the control of any of the Member States, the executing and issuing judicial authorities shall immediately contact each other and agree on a new surrender date. In that event, the surrender shall take place within 10 days of the new date thus agreed.

4. The surrender may exceptionally be temporarily postponed for serious humanitarian reasons, for example if there are substantial grounds for believing that it would manifestly endanger the requested person’s life or health. The execution of the European arrest warrant shall take place as soon as these grounds have ceased to exist. The executing judicial authority shall immediately inform the issuing judicial authority and agree on a new surrender date. In that event, the surrender shall take place within 10 days of the new date thus agreed.

5. Upon expiry of the time limits referred to in paragraphs 2 to 4, if the person is still being held in custody he shall be released.

Article 24

Postponed or conditional surrender

1. The executing judicial authority may, after deciding to execute the European arrest warrant, postpone the surrender of the requested person so that he or she may be prosecuted in the executing Member State or, if he or she has already been sentenced, so that he or she may serve, in its territory, a sentence passed for an act other than that referred to in the European arrest warrant.

2. Instead of postponing the surrender, the executing judicial authority may temporarily surrender the requested person to the issuing Member State under conditions to be determined by mutual agreement between the executing and the issuing judicial authorities. The agreement shall be made in writing and the conditions shall be binding on all the authorities in the issuing Member State.

Article 25

Transit

1. Each Member State shall, except when it avails itself of the possibility of refusal when the transit of a national or a resident is requested for the purpose of the execution of a custodial sentence
Sch.

or detention order, permit the transit through its territory of a requested person who is being surrendered provided that it has been given information on:

(a) the identity and nationality of the person subject to the European arrest warrant;
(b) the existence of a European arrest warrant;
(c) the nature and legal classification of the offence;
(d) the description of the circumstances of the offence, including the date and place.

Where a person who is the subject of a European arrest warrant for the purposes of prosecution is a national or resident of the Member State of transit, transit may be subject to the condition that the person, after being heard, is returned to the transit Member State to serve the custodial sentence or detention order passed against him in the issuing Member State.

2. Each Member State shall designate an authority responsible for receiving transit requests and the necessary documents, as well as any other official correspondence relating to transit requests. Member States shall communicate this designation to the General Secretariat of the Council.

3. The transit request and the information set out in paragraph 1 may be addressed to the authority designated pursuant to paragraph 2 by any means capable of producing a written record. The Member State of transit shall notify its decision by the same procedure.

4. This Framework Decision does not apply in the case of transport by air without a scheduled stopover. However, if an unscheduled landing occurs, the issuing Member State shall provide the authority designated pursuant to paragraph 2 with the information provided for in paragraph 1.

5. Where a transit concerns a person who is to be extradited from a third State to a Member State this Article will apply mutatis mutandis. In particular the expression ‘European arrest warrant’ shall be deemed to be replaced by ‘extradition request’.

CHAPTER 3

EFFECTS OF THE SURRENDER

Article 26

Deduction of the period of detention served in the executing Member State

1. The issuing Member State shall deduct all periods of detention arising from the execution of a European arrest warrant from the total period of detention to be served in the issuing Member State as a result of a custodial sentence or detention order being passed.

2. To that end, all information concerning the duration of the detention of the requested person on the basis of the European arrest warrant shall be transmitted by the executing judicial authority or the central authority designated under Article 7 to the issuing judicial authority at the time of the surrender.
Possible prosecution for other offences

1. Each Member State may notify the General Secretariat of the Council that, in its relations with other Member States that have given the same notification, consent is presumed to have been given for the prosecution, sentencing or detention with a view to the carrying out of a custodial sentence or detention order for an offence committed prior to his or her surrender, other than that for which he or she was surrendered, unless in a particular case the executing judicial authority states otherwise in its decision on surrender.

   (f) when the person, after his/her surrender, has expressly renounced entitlement to the speciality rule with regard to specific offences preceding his/her surrender. Renunciation shall be given before the competent judicial authorities of the issuing Member State and shall be recorded in accordance with that State’s domestic law. The renunciation shall be drawn up in such a way as to make clear that the person has given it voluntarily and in full awareness of the consequences. To that end, the person shall have the right to legal counsel;

4. A request for consent shall be submitted to the executing judicial authority, accompanied by the information mentioned in Article 8(1) and a translation as referred to in Article 8(2). Consent shall be given when the offence for which it is requested is itself subject to surrender in accordance with the provisions of this Framework Decision. Consent shall be refused on the grounds referred to in Article 3 and otherwise may be refused only on the grounds referred to in Article 4. The decision shall be taken no later than 30 days after receipt of the request.

2. The property referred to in paragraph 1 shall be handed over even if the European arrest warrant cannot be carried out owing to the death or escape of the requested person.

3. If the property referred to in paragraph 1 is liable to seizure or confiscation in the territory of the executing Member State, the latter may, if the property is needed in connection with pending criminal proceedings, temporarily retain it or hand it over to the issuing Member State, on condition that it is returned.
